FAMILY EDUCATION WORKSHOP

The Motivation Breakthrough©
Secrets to Turning ON the Tuned-Out Child

What does it take to motivate the "forgotten" student? Richard Lavoie demonstrates six basic motivational styles and strategies for inspiring the most withdrawn and reluctant student.

Some strategies are simple, while others take time, patience, and planning. Each one is well worth the effort.

We invite you to join us for this inspiring presentation.

Who should attend?

Caregivers of children of all ages

Workshops are free!
Refreshments provided
Registration required
