FAMILY EDUCATION

Whole Brain Child

from Daniel Siegel MD & Tina Payne Bryson PhD

This workshop offers strategies on how to raise happy, resilient children and powerful tools for helping children to develop the emotional intelligence they need to be successful in the world.

Join us for this series, including the viewing of a DVD and a classroom discussion to help us explore the simple, smart, and effective solutions to many of our children's struggles. You may attend any or all parts of this three-part series.

Who should attend?

Caregivers of children of all ages

Workshops are free!
