FAMILY EDUCATION

Resisting Television Advertising

TV advertising works with many tools, including hypnotic techniques. Find out what is missing from day-to-day activities in TV shows and why. And learn a mindset to adopt when advertisements are shown.

You are invited to join us for a discussion about the effects of TV advertising and how to defend your children from them.

Who should attend?

Caregivers of children of all ages

Workshops are free!
Refreshments provided
Registration required

When:

Wednesday
January 16, 2019
9:30 am to 11:30 am

Where:

Mental Health Association Family Support Services
320 North Goodman Street, Suite 202
Rochester, NY 14607
