FAMILY EDUCATION

Rules, Routines & Limits

Setting boundaries can make family life better for everyone. Putting some simple rules in place and setting limits help children realize what you expect of them. Routines for daily activities, such as meal times, homework, and bedtime, let children feel more secure.

You are invited to join us for a discussion about these three related topics. We will explore ways to reduce harsh discipline and foster the ability of caregivers to promote children's social, emotional, and academic achievement.
