Developing Capable Young People[©]

This training program, developed by H. Stephen Glenn, prepares adults who work with young people for developing the visions and skills that can determine how effectively they deal with life. These skills can help young people successfully meet life's challenges of learning, relationships, and the work world.

You may attend any or all parts of this three-part series. The topics are:

Helping kids see themselves as significant	May 3, 2019
Helping kids see themselves as influencing their lives	May 10, 2019
Helping kids develop interpersonal skills	May 17, 2019
