Ignoring Misbehavior

The Incredible Years®

Negative behavior is a signal that a child needs some new learning opportunities. As a caretaker, you want to use self-control and use ignoring techniques consistently.

You are invited to join us for a discussion about ignoring as a tactic for selected behaviors, such as whining, tantrums, and arguing. We will explore negative behaviors and offer strategies for dealing with them.

Who should attend?

Caregivers of school-age children

Workshops are free!
Refreshments provided
Registration required

When:

Monday

May 6, 2019

11:30 am to 1:30 pm
