FAMILY EDUCATION

Children's Discouragement

The Incredible Years®

Learn ways to praise, encourage, and motivate children to learn new things, while helping them avoid a sense of failure when they can't do something new right away. Understand the importance of children learning according to their own unique abilities and learning styles.

You are invited to join us for a discussion about how to cope with children's discouragement when learning something new.

Who should attend?

Caregivers of school-age children

Workshops are free!
Refreshments provided
Registration required

When:

Monday

May 13, 2019
