

Despite their best moments, toddlers and preschoolers behave in ways that frustrate their parents and caregivers, and even endanger their own safety. They are not intentionally being “bad.” Parents and caregivers can guide them in a positive way. Please join us for this discussion group.

FAMILY EDUCATION

Guiding Behavior in Young Children

Learning Seed©

The program will present a DVD followed by a facilitated discussion on the topic of behavior. You will learn why misbehavior occurs, common reactions by caregivers, ways to stop it, and how to create and enforce a plan to bring about desired behavior.

Who should attend?
