FAMILY EDUCATION

Middle Childhood

Learning Seed©

During middle childhood, children gain body awareness, learn large amounts of information, and establish relationships with others outside their families.

You are invited to join us for a discussion about middle childhood, including a DVD from Learning Seed. We will explore how children begin to manage their own behavior in middle childhood and start to find their place in the world.

Who should attend?

Caregivers of children 6 to 12 years of age

Workshops are free!
Refreshments provided
Registration required
